DETAILED ITINERARY

3 Toubkal Refuge - Jbel Toubkal Summit - Sidi Chamharouch - Imlil

This is the most important day of the excursion: the ascent of Mount Toubkal. We will wake up very early to head towards the summit, following trails and rocky paths that are challenging but do not require technical skills. Once we reach the summit of Mount Toubkal, you will enjoy magnificent panoramic views of the Atlas mountain range and the Marrakech plain. We will stop at the summit for photos and lunch, then descend to Imlil where we will meet our driver to return to Marrakech. Trekking: 3 to 4 hours of walking
